TEAM ANNOUNCEMENT DAY

Sunday, 7th March, 2010.

Masonic Centre

One of the most difficult things in past years has been communicating team information to our members after grading. It takes hours of phone communication and is often erratic and stressful for all involved. This year we are hosting a Team Announcement Day. It will enable committee to recruit coaches and managers, speed up the appeal process, provide the opportunity for coaches and managers to meet their team and exchange training and contact details.

Please be prompt to your session.

The team lists will be provided to the Coaches and Managers on this day. It is vital that all members attend the session they are assigned to. Committee will not provide information regarding other sessions out of the allocated times on this day.

You will need to be prepared to finalise any outstanding registration information, especially finances.
